SUMMARY

Master of Applied Finance candidate at SMU with a B.Com in Finance & Accountancy and two years of hands-on financial-reporting and indirect-tax compliance experience. Modeled valuations and equity-research initiations (Micron, Mastercard, Disney), PE and infrastructure investment memos (Fujitec take-private, Okapi Solar, Vietnam power) and a Bank of Singapore wealth-management strategy case — all on full DCF / 3-statement models. Advanced Excel modeler with Bloomberg and Capital IQ exposure; CFA Level 1 candidate (Feb 2027), focused on equity-research, advisory and investment roles in Singapore.

EDUCATION

Singapore Management University — Singapore · 2025 – Jan 2027
M.Sc., Applied Finance

Christ University, Bengaluru — India · 2020 – 2024
B.Com., Finance & Accountancy

RESEARCH, VALUATION & ADVISORY PROJECTS

Micron Technology (NASDAQ: MU) — Pro-Forma Valuation ↗ — Multi-method · co-authored

- Modeled a **multi-method valuation** (FCFF/FCFE DCF, exit multiples, DDM, comps) and stress-tested the terminal-margin grid to a **BUY, ~$1,069 fair value (+14%), ~$1,094 12-month target** vs $937 on a 12.59% WACC — the call conditioned on the AI take-or-pay contract regime holding.

Mastercard Inc. (NYSE: MA) — Equity Research Initiation ↗ — Equity Research · co-authored

- Built a 3-statement DCF that refreshed cost of capital to live rates (10Y 4.54%, WACC 8.66%) and charged for inorganic VAS growth — a contrarian **NEUTRAL / REDUCE, ~$453 fair value (–9% vs $499.66)** , ~a third below the Street.

The Walt Disney Co. (NYSE: DIS) — Initiation of Coverage ↗ — Equity Research · co-authored

- Built a 5-year FCFF DCF and Sum-of-the-Parts cross-check ($84 / $107 / $176) for a 24-page initiation — **HOLD, $106.96** — on a 9.27% WACC, with segment theses across Experiences, DTC and Linear Networks.

Fujitec Co. (TSE: 6406) — PE Investment Memorandum ↗ — APECS PE Case Competition 2026

- Evaluated a US$1.0bn take-private co-investment alongside EQT on a 3-statement model; recommended **CONDITIONAL PASS** — **17.2% IRR / 2.19× at the ask vs 20.7% / 2.53× at a counter** against a 20% hurdle.

Okapi Solar — PE/VC Investment Memorandum & Valuation ↗ — Specialty Finance / VC · SMU MAF

- Reframed a Malaysian rooftop-solar startup as a **~5% NIM specialty-finance lender** ; triangulated DCF / VC / NSV to a defensible **~US$15–16M EV** and a diluted **~1.9× / ~16% XIRR** , gating the proceed on credit-loss, funding-line and SAFE-dilution diligence.

Home Depot (NYSE: HD) — Equity Valuation ↗ — Equity Analysis · SMU MAF

- Built a DCF intrinsic valuation cross-checked against comparable-company analysis (EV/EBITDA, P/E) to frame a fair-value range and investment view.

Vietnam Gas-Fired Power Plant — Investment Memorandum ↗ — Project & Infrastructure Financing · SMU MAF

- Authored an investment memorandum presented to a mock investment committee (**conditional approval**); structured the capital stack and ran sensitivity analysis on debt-service coverage and equity returns.

Bank of Singapore — EAM / Wealth-Management Strategy Case ↗ — Investment Advisory & Wealth Management · SMU MAF

- Analyzed BOS's External Intermediaries Desk (EAM) — compared centralized vs decentralized service models, the retrocession conflict and onboarding friction — and recommended repositioning as an **“Asian Gateway” custodian** leveraging the OCBC ecosystem and Aa1 credit strength.

Other coursework: Arrived — fractional real-estate platform investment case (Financial Analytics & Innovation) · Impaakt — sustainable-finance impact-measurement case study, awarded an A (Sustainable Finance & Impact Investing).

EXPERIENCE

Jeevan Amrit Food Products Pvt. Ltd. — Financial Analyst (Part-Time) — Bhubaneswar, India · Jun 2022 – Jun 2024

- Prepared quarterly P&L, balance-sheet and cash-flow statements for an SME food-products business, supporting the month-end close and budgeting cycle.
- Ran variance and working-capital reviews in Excel to flag cost overruns and tighten the reporting pack ahead of senior review.
- Handled indirect-tax compliance end-to-end — **GSTR-1 / GSTR-3B filings and TDS** — owning the statutory filing cadence and supporting documentation.

SKILLS

Finance & Research: Equity valuation (DCF, comparables), financial modeling, project & infrastructure finance, sustainable-finance impact assessment, investment-memo writing

Accounting & Tax: Financial-statement preparation (P&L, balance sheet, cash flow), month-end close, Indian indirect tax (GSTR-1 / GSTR-3B, TDS), reconciliation & documentation

Tools: Microsoft Excel (advanced financial modeling), Bloomberg Terminal (BMC, BSA, ESG certified), Capital IQ, PowerPoint

Soft Skills: Analytical thinking, written & verbal communication, teamwork, attention to detail, ownership

Certifications: Bloomberg Market Concepts (BMC), Bloomberg Spreadsheet Analysis (BSA) & Bloomberg ESG — Bloomberg, Oct 2026 · CFA Level 1 candidate (Feb 2027) · Advanced Excel — Christ University.

Languages: English & Hindi (fluent).
